discounted price at the time of service. There is no paperwork and no limit to the number of times you can use the card. These discounts are available only at participating providers. Please discuss the program discounts with health-related provider prior to services rendered or purchases.

Can I use my Co-op Connections card with my current insurance benefit to reduce my costs?

No, your card cannot be used in conjunction with insurance. However, use your card for products and services not covered by your insurance plans and receive a discounted rate.

Where can I get a list of providers that accept the card?

The Co-op Connections card is accepted at more than 100,000 health-related providers nationwide. Find participating locations at www.HealthySavings.coop. Visit www.SPEC.coop for over 22,000 online shopping and local business discounts.

Can I find out the discounted price of my prescriptions before going to the pharmacy?

Yes, if you know the name, strength and quantity of the medication, you can find the discounted price of the medication by visiting www.rxpricequotes.com. You will receive the best price available to you through this program. On occasion, pharmacies will price a particular medication lower than the discount rate provided by the card. If that occurs, you will receive the lower price. Drug prices are different from pharmacy to pharmacy. Even chains have different prices in their stores depending on the population they are servicing. Additionally, manufacturers' drug prices change periodically.

Disclosures: This is not insurance nor is it intended to replace insurance. This discount card program contains a 30 day cancellation period. This plan provides discounts at certain healthcare providers for medical services. This plan does not make payments directly to the providers of medical services. The plan member is obligated to pay for all healthcare services but will receive a discount from those healthcare providers who have contracted with the discount plan organization.
