South Plains Electric Mandated by SPP to Start Rolling Outages

[LUBBOCK, TX] – Update 6:58 a.m.-(SPP Update) South Plains Electric Cooperative was mandated to start rotating outages on the SPP side now (Lubbock area members/Group A/green area to the left of the black line). SPP can ask for more load shed at any moment, so all of our members need to be prepared for rotating outages: <https://spp.org/markets-operations/current-grid-conditions/>

(ERCOT Update) Rolling outages continue and will continue until the weather emergency ends.
